

PURVA TAGDE
23070521111
BATCH B1

ME AND MY TEAM MATE **RIYA VARMA(23070521118)**

ACTIVITY:

10. Random Background Changer

Click a button to change the page background to a random color.

Display the color code on screen.

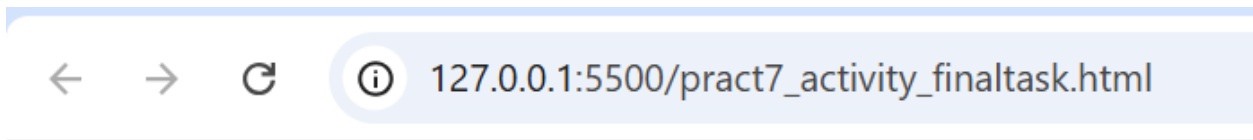

Extra challenge: Auto-change every 2 seconds with start/stop buttons.

DOM Skills: style.backgroundColor, Math.random().

CODE:

```
<?pract7_activity_finaltask.html
<?pract7_activity_finaltask.html > html > body > script
1  <!DOCTYPE html>
2  <html>
3  <head>
4    <title>Random Background Changer</title>
5  </head>
6  <body>
7    <h2 id="colorText">Click the button</h2>
8    <button onclick="changeBackground()">Change Background</button>
9    <button onclick="startChanging()">Start Auto</button>
10   <button onclick="stopChanging()">Stop Auto</button>
11
12   <script>
13     let timer = null;
14     function makeColor() {
15       let letters = "0123456789ABCDEF";
16       let color = "#";
17       for (let i = 0; i < 6; i++) {
18         color += letters[Math.floor(Math.random() * 16)];
19       }
20       return color;
21     }
22     function changeBackground() {
23       let newColor = makeColor();
24       document.body.style.backgroundColor = newColor;
25       document.getElementById("colorText").textContent = newColor;
26     }
27     function startChanging() {
28       if (timer === null) {
29         timer = setInterval(changeBackground, 2000);
30       }
31     }
32     function stopChanging() {
33       clearInterval(timer);
34       timer = null;
35     }
36   </script>
37 </body>
38 </html>
39
```

OUTPUT:

Click the button
